

and I had a letter from  
Marjorie she says she is well  
and strong does her work and  
all of her washing and has  
been canning fruit, she said  
they had got them a ford and  
it was an old rattle trap but  
it could go pretty fast and  
they had lots of fun in it.  
she says Fritz wants to go  
to California but not for a  
year or two, I will send Berts  
letter, would send the pictures but  
I expect he will send you some.  
I have had a letter from Wilbur  
but he did not say much he  
thinks when he gets out of debt  
he will go to a smaller town as it  
costs so much to live there, I must  
stop as I am at the bottom of the page

Dear Carrie  
we got your  
letter Monday. was very glad  
to hear from you. Sarah does  
not improve much some days  
she will seem better for a few  
days then she will be worse  
again. when she is not feeling  
as well she worries so much  
she said she thought she would  
never be any better, and she  
is so tired of staying in  
the bedroom she says it is  
just like being in jail, we  
are going to get a broom cleaner  
and clean the rugs and get  
the stove up and bring her

out on the padding bed so  
that will be a change for her.  
Aunt Jennie and I are as  
well as usual. I went to the  
church to a Kensington last  
Thursday I walked up there and  
Nellie Bass brought me home  
in her car. We have been  
making pickle this last week  
I guess we are all through putting  
up stuff. We have all of our  
cans full. I got Frank McFarlane  
to pick the apples there was  
about 6 bushels but some  
were badly specked and are  
not keeping very good.  
We are going to have fried  
chicken and sweet potatoes

for dinner. I wondered why  
you didnt come over yesterday  
while Marian is home to stay  
with Billy. How does Marian  
like her school by this time  
We had a white frost last nite  
but I cant see as it has  
hurt anything the flowers  
are as nice as ever. I got  
a letter from Bert a few  
days ago he sent some pictures  
of their trip he said he  
would write to you some  
fine day. I wrote a letter  
to Max last week. I havent  
heard from him for a long  
time I suppose Nate is home  
did she say how he is  
getting along?
